# MALT WHISKY

---

HIGHLANDS - This is the largest Whisky producing area from North of Glasgow all the way up to Thurso. Due to the large area the whisky produced is very diverse from full single bodied malts, which are sweet and rich in character from the north to lighter and fruitier whiskies found in the east.

|                    |       |
|--------------------|-------|
| GLENGOYNE 10 YO    | £5.50 |
| GLENMORANGIE 10 YO | £5.50 |
| OLD PULTNEY 12 YO  | £4.50 |
| OBAN 14 YO         | £6.90 |
| DALWHINNIE 15      | £5.90 |

ISLANDS - Whisky produced on the islands surrounding mainland Scotland offer extremely diverse tastes. There are nearly 800 islands off Scotland's coastline with only a few actually inhabited. From Orkney in the north to Arran in the South West - just 40 miles from Western House Hotel.
